Please Note: Masks fit faces differently according to each individual facial structure. Innovation Line makes no claims about exact fit as each mask varies in size just as each individual's face structure varies. If facial fit is critical, the buyer assumes all responsibility for confirming fit requirements prior to order placement. Mask sales are final and returns not accepted & discounts will not be issued.

It is the customer's responsibility to check all size, dimensions & materials of each face mask or face covering product prior to purchase. Free random mask & face covering samples are available to help ensure the correct product is purchased. The entire risk as to the quality, fit, performance of the product is with the buyer and the buyer assumes all responsibility. All mask sales are final and returns or credits are not accepted.

Disclaimer: Face Masks are each individually hand-sewn, which will result in slight size variations that cannot be avoided. Due to the intricacies of the Dye Sublimation printing process: it is not possible to perfectly center mask imprints and up to 1/4" shifting of the logo and any copy is unavoidable. Some copy may run close to seams and/or over seams and can appear slanted. Also, creases in the mask material could create small white spaces inside the creases, and for full bleed imprints, a narrow white border may appear along the trim line, all of which are not considered defects. Returns cannot be accepted for any reason on any mask product. Washing instructions: Wash prior to use. Hand wash or machine wash cool, line dry only.
