Full-Colour Sublimation Dress and Crew Socks

Get creative and have fun with our ultra-comfortable full-colour and full-bleed die-sublimated dress and crew socks. Both styles feature reinforced black toe and heel for a higher quality appearance. Dress socks are flat and sleek; crew socks are thicker with a slightly ribbed surface on the leg and mid-foot areas for more support. Socks have a white base colour before printing

Price Includes: Full-colour sublimated imprint over the entire sock, front and back. Base colour is white. Exact colour match is not guaranteed. **Set-up charge:** \$60, regardless of number of colours. Due to the nature of flatbed dye-sublimation, product will have a "seam" on each edge. Creases in the fabric cannot be avoided. Creases could prevent colour or imprint from printing inside the small fabric crease, resulting in small white spaces where creases occur. We recommend keeping logos 1/2" away from product edges or creases.
