SIP AND CHILL

INSULATED TUMBLERS TO FILL!

#DKW200 "COLUMBIA" 20 OZ POWDER COATED DOUBLE WALL INSULATED STAINLESS STEEL TUMBLER

20 oz double-wall insulated stainless steel tumbler features a durable powder-coated finish which is scratch and fade resistant, and a non-scuff bottom and vacuum insulation to keep beverages hot or cold without outside condensation. The slide-open lid has been re-designed with larger rubber gaskets to assure a truly spill-resistant seal. Bottles ship with lids assembled. BPA-free. Hand wash. Do not microwave.

Pricing includes a one to full-colour PhotoImage™ imprint on both sides with only one low setup charge.

No extra run or setup charges for multi-colour imprints.

Size: 6-3/4" H x 3-1/4" W.

Standard Imprint (one or both sides): 3 3/4" W x 5 3/4" H

Full Wrap Imprint: 10 1/2" x 6 1/2" H. (Only available on white tumbler)
