IMPORT GUARANTEE:

With so many choices, look to the industry veteran you can **trust!**

We are a US Based Importer and ASI Supplier for more than 30 years. We stand behind our work and will do whatever is necessary to ensure your order is delivered on time and pursuant to your specifications. We take the responsibility for your orders so you don't have to rely on shaky overseas exporters. You can rest easy knowing we're on top of the manufacturing process. We also help you finance orders with proper credit qualification, unlike direct overseas exporters. Sleep better at night with Innovation Line Global Product Sourcing!
